APPROVAL TO ACT AS AN IATA INTERMEDIARY

Effective Date of Approval: **11 March 2025**

IATA Numeric Code: 57103760000

Dear IATA Intermediary,

I have pleasure in advising you that your application for registration as an IATA Intermediary has been approved. May I extend to you a warm welcome as an IATA Intermediary.

I am enclosing herewith the duplicate copy of your Cargo Intermediary Agreement which is for your records. Please also find enclosed an IATA crest for display on the entrance door or show window of your Agency.

Member Airlines have appointed your organization as their IATA Intermediary for the country of registration according to a statement of general concurrence as deposited with the IATA Agency Administrator. Other Members may appoint you as their IATA Intermediary by concurring with this appointment in writing to you.

If under appointment by them as an IATA Intermediary, Members may pay your Agency commission on international air cargo transportation sold and/or handled by your Agency as from the "Effective date of Approval" so stated in the heading of this letter.

You have been provided with the online access to the following publications:

- the Cargo Agent's Handbook containing the complete text of certain IATA Resolutions applicable to IATA Cargo Agents, including IATA Resolutions 813zz "Latin American Air Cargo Program and Cargo Intermediary Agreement", and 833 "Ready for Carriage Consignments".
- IATA Dangerous Goods Regulations. It is important that all your offices have a copy of these Regulations and that your staff be familiar with them and regularly update their knowledge by following appropriate courses. To this effect, additional copies are available upon request at the IATA Online Store.

Since these IATA Resolutions and Regulations are directly referred to under the terms of your IATA Cargo Intermediary Agreement, may I ask you to read the above documents carefully. If you have any question concerning your registration as an IATA Intermediary or the IATA Cargo Intermediary Agreement, please feel free to ask for clarification from any Member Airline with whom you are in contact.

This application is approved based upon satisfactory facilities at the premises which you detailed in your request. Pursuant to the governing rules, **you must notify IATA of all changes, such as ownership, legal status, name or address**. In this connection, besides notifying any change concerning the address at which your organization is registered, you are also requested to advise IATA (to the attention of the undersigned) when there is a change in the premises investigated.

May I congratulate you on the favourable outcome of your application and express the wish that this Agreement will be beneficial to both the IATA Member Airlines and your Agency.

Yours faithfully,
