APPROVAL TO ACT AS AN IATA AGENT

Effective Date of Approval: **17 August 2026**

IATA Numeric Code: **54470640000**

Dear Agent,

I have pleasure in advising you that your application for registration as an IATA European Air Cargo Programme (EACP) Intermediary has been approved. May I extend to you a warm welcome as an EACP Intermediary.

I am enclosing herewith the duplicate copy of your EACP Intermediary Agreement which is for your records. Please find also enclosed an IATA crest for display on the entrance door or show window of your Agency.

Member Airlines have appointed your organization as their IATA Cargo Agent for the country of registration according to a statement of general concurrence as deposited with the IATA Agency Administrator. Other Members may appoint you as their Agent by concurring with this appointment in writing to you.

If under appointment by them as an IATA Cargo Agent, Members may pay your Agency commission on international air cargo transportation sold and/or handled by your Agency as of the "Effective date of Approval" date stated in the heading of this letter.

You have been provided with the online access to the following publications:

- EACP Handbook containing the complete text of certain IATA Resolutions applicable to EACP Intermediaries, including IATA Resolutions 016aa "Commission for IATA Cargo Agents", 805zz "Cargo Agency Rules", 801re "Reporting and Remittance Procedures" and 833 "Ready for Carriage Consignments",
- IATA Dangerous Goods Regulations. It is important that all your offices have a copy of these Regulations and that your staff be familiar with them and regularly update their knowledge by following appropriate courses. To this effect, additional copies are available upon request.

Since these IATA Resolutions and Regulations are directly referred to under the terms of your EACP Intermediary Agreement, may I ask you to read the above documents carefully. If you have any question concerning your registration as an EACP Intermediary or the EACP Intermediary Agreement, please feel free to ask for clarification from any Member Airline with whom you are in contact. This application is approved based upon satisfactory facilities at the premises which you detailed in your request. Pursuant to the governing rules, **you must notify IATA of all changes, such as ownership, legal**

status, name or address. In this connection, besides notifying any change concerning the address at which your organization is registered, you are also requested to advise IATA (to the attention of the undersigned) when there is a change in the premises investigated.

May I congratulate you on the favourable outcome of your application and express the wish that this Agreement will be beneficial to both the IATA Member Airlines and your Agency.

Yours faithfully,
